For existing customers, to convert to the FLEX plan, contact SIS for special pricing.

CompassData Checkpoint Offer: Along with your purchase, we are pleased to provide checkpoints from our partner, CompassData, as a promotion. This promotion provides 3 checkpoints (a value of around \$1,200) from the CompassData archive for each seat of Accuracy or Topo Analyst purchased. This offer does not commit you to make any form of purchase with CompassData. This offer is valid until December 31, 2012.
