

**California Energy Commission Non-Disclosure Agreement  
GIS Information/Data**

On behalf of State of California, Department of Water Resources  
(Name of Organization)

I agree that:

1. I have received and/or will receive confidential Geographic Information Systems (GIS) information/data from the California Energy Commission (Energy Commission). This information/data is composed of the following files:

CA Statewide: Natural Gas Pipelines, Natural Gas Stations (Includes NG Storage Facilities), Electric Transmission Lines, Transmission Towers, Substations,  
Oil Refineries and Terminals

These files are current as of the date of this Agreement;

2. I understand that any and all of this GIS information/data obtained from the Energy Commission is sensitive security information. I have been informed that it is important to maintain its confidentiality.
3. I agree not to disclose this GIS information/data to any unauthorized person because of its sensitive nature; to restrict disclosure of and access to this information/data to persons within my office; to not redistribute the information/data; and to refer requests for this information/data to the GIS/Cartography Unit of the Energy Commission and to the Energy Commission's Chief Counsel's Office;
4. I agree to maintain a list of those persons that have been provided access to the GIS information. I also agree that GIS information/data is not to be released in any format (printed, electronic, GIS format, KML, database, geodatabase, database with coordinates format) to any state or federal agency, or to any private person(s) without prior written approval from the Energy Commission's Chief Counsel's Office;
5. I agree that all reports, writings, documents or other materials (hereinafter "writing"), which have relied on the Energy Commission's GIS confidential information/data, shall include the following source reference:

This writing has used information provided by the California Energy Commission. This writing does not necessarily represent the views of the Energy Commission, its employees, or the State of California. The Energy Commission and the State of California make no express or implied warranties, and assume no legal liability for the information contained in this writing.

6. I have been informed that unauthorized disclosure of the GIS information/data could result in legal action;
7. I agree that this Agreement shall be governed by the laws of the State of California;
8. I agree that if any provisions of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid or unenforceable, the remaining provisions shall remain in full force and effect; and
9. I agree that this Agreement shall remain in effect until the Energy Commission determines that the Agreement should be terminated.

I will use the confidential GIS information/data provided by the Energy Commission for the following purpose(s):

Use in analysis of impacts from levee failures, project alternative evaluations, statewide planning for public infrastructure projects, floodplain assessments, and other infrastructure data requisite uses of the State of California Department of Water Resources.

I have read this document and acknowledge my responsibilities and obligations under this Agreement. I also acknowledge that I am authorized to sign this Agreement on behalf of State of California, Department of Water Resources  
(Name of Organization)

and that my signature binds this organization to the terms of this Agreement.
